1:30 PM

BILLERICA COA

25 CONCORD ROAD

Rep. Marc T. Lombardo, along with the LRTA will host a Charlie Card event at the Billerica COA. Rep. Lombardo, along with the LRTA and the BCOA will provide attendees with information on available transportation in the local area, particularly on the LRTA Fixed Routes, LRTA Roadrunner and the MBTA Rail Service.

Attendees will have the opportunity to apply for a Transportation Access Pass, commonly called the Charlie Card. This provides for a 50% discount on the LRTA, MBTA and most public transportation in the Commonwealth. It does not provide a discount on the LRTA Roadrunner or the MBTA's The Ride.

All Billerica disabled of any age, seniors and Medicaid recipients are eligible. All eligible people for the Transportation Access Pass are encouraged to attend.

Your photo and name will be taken, and the cards will be printed at the LRTA office. You will have to pick them up several days later at the BCOA.

Thank you and be safe.
