MEMORANDUM

TO: BHA RESIDENTS
FROM: Bob Correnti
DATE: February 7, 2025
**RE: VISIT BY SECRETARY ED AUGUSTUS and UNDERSECRETARY
BEN STONE**

This past Tuesday, February 4, 2025, the Billerica Housing Authority was pleased to be visited by the State's Housing Secretary Edward M. Augustus and UnderSecretary Ben Stone. Both have been visiting Housing Authorities throughout the State.

While there was no specific agenda, it was an enjoyable meeting focused the mission of Housing Authorities. They also visited a unit at 13 River Street.

UnderSecretary Stone noted that, in preparation for the visit, the files on Billerica were reviewed. There are no issues with Billerica. We are financially stable and have a demonstrated commitment to providing safe, appropriate, and affordable housing. Their feedback was very positive. It is clear Billerica Housing has a great staff, well-maintained facilities, and operates with a commitment to the State's Housing mission.
