OUTDOOR GRILL POLICY

PURPOSE :

So as to insure the safety of all residents, the Billerica Housing Authority adopts this policy regarding outdoor barbeque grills.

POLICY :

The BHA provides outdoor grilling devices at multi-generational residential properties (13 River, 16 River, and 33 Talbot). Hence, at those properties, BHA residents are not to have outdoor grills for the purposes of cooking food.

For single family dwelling properties, such devices are permitted but must be in excess of ten feet of any structure.

Additionally, as per the Massachusetts Comprehensive Fire/Safety Code, no such devices are permitted on any balcony/porch nor permitted under any overhanging portion of a balcony/porch.

The above policy is intended for the comfort and safety of all residents and is considered to be an Addendum to the Lease and enforceable as such.

Adopted: April 7, 2016
